

## ELITE OXBOX™

A dependable, durable storage solution that keeps worker's tools safe and secure.

The Elite OxBox is a medium duty tool vault, alike to the Elite TuffBank, with extremely robust and secure 5-lever deadlocks.

It is a cost effective design where budget is a consideration, with no compromises on quality.

**Airports/  
Terminals**

**Military Sites**

**How are they used?**

The Elite OxBox is ideally used by construction workers because of its ultra-tough, lockable vault that conforms to industry standards.

Should you require tidy tool storage on site, in factories and in vehicles, then the Elite OxBox has a unique 'folded' construction to do that.
