ROAD CONES

We have a wide range of Road Cones available to suit a variety of applications and environments.

750mm Two Piece Mastercone

Motorways
High Visibility
Accidents

1

Ideal to temporarily direct traffic safely on roads and footpaths. Often used as a temporary demarcation product. With it's high performance Starlux™ sleeve, the Mastercone is highly visible to all motorists and pedestrians.

Mastercone	1
Size:	750mm [H]
Weight:	4.4Kg
Material:	100% thermoplastic, recyclable PVC base with anti-slip feature Centre: recyclable LDPE and HDPE combined
Colour:	Available in 3 colours: blue, green and yellow
Extra Info:	Blow moulded top with easy grip access, bases and centres can be embossed and coloured (subject to minimum order quantity)

Key Features

- ✓ Fit with black weighted ballast bases - to stop the cones from being blown over in bad weather conditions
- ✓ Our traffic cones, conform to the following standards: Requirements of BSEN13422 (Except the No Waiting Traffic Cones), Chapter 8 - Traffic Signs Manual, Safety at Street Works & Road Works - A Code of Practice, Traffic Signs Regulations & General Directions

Budget Options

Perhaps you don't have the budget to purchase outright, we always have a variety of solutions for you.

- **Hire for short or long term**
- **Used/second hand**
- **Buyback**
- **Lease or Finance**

Top Tip

Most of our cone bases and centres can be embossed and coloured (subject to a minimum order quantity) – contact us to find out more about that.

Our Road Cones can be used in conjunction with our Extendable Cone Bar, Pyramid Barrier and Bison Barrier.

Two Piece Cones

Used to demarcate areas where cars and pedestrians are restricted. A cheaper option than using Chapter 8 Barriers, which can still cover a large area easily.

These cones are available in standard orange colour and its high performance prismatic sterlux™ sleeve to improve visibility in poor conditions and at night which makes this one of the most technologically advanced cones available in the UK.
Easy to stack and deploy.

High Visibility

2

Two Piece Cones	2
Size:	750mm [H] / 1000mm [H] 450mm / 550mm [Base Square]
Weight:	4.15Kg / 6.50Kg
Material:	100% recyclable PVC base with anti-slip feature Centre: Virgin HDPE
Colour:	Standard orange with hi-visibility sleeve
Extra Info:	Blow moulded top with easy grip access, bases and centres can be embossed and coloured (subject to minimum order quantity)

No Waiting Traffic Cones

Ideal for the reinforcement of parking restrictions in areas such as car parks, schools and on private land.

It's durable design and weighted base, guards against high winds.
Simple to stack inside of one another when not in use, easy to deploy.

High Visibility

Private Land

3
