About You..

As a Yard Person, you will be working in an established team, picking, and packing of small and large items, quality checking and cleaning of products in our external yard, manual handling of products, general upkeep of the yard to ensure all health and safety risks are eliminated; installations, will involve liaising with the internal customer base, installation of products on sites around the UK, whilst maintaining high health and safety standards. If you have a counterbalance or 7.5T licence this would be advantageous, and salary would be dependent on experience.

This would suit an individual who is physically fit, with a great can-do attitude and wiliness to learn and develop their construction-based knowledge. Full training and PPE will be provided.

You will be based at the Company's UK depot, near Wyboston, Bedfordshire, with a relaxed but professional atmosphere with easy access by car from all main routes. Our ideal candidate would be living or looking for work in the Bedford or St Neots area, there may also be the opportunity to attend our Site(s) to install products around the UK.
