

## CUEGLE® CAM

Instant, fully cableless security for your construction site.

**Night vision**

**4G connection**

**Rapid-deployment**

**Solar Power**

**Cloud Storage**

The Cuegle Cam system is built to give rapid-deployment CCTV security for temporary fencing, shipping containers, scaffolding or site fencing. It runs on solar power with battery backup, uses 4G connectivity so no wiring is needed, and supports AI motion detection.

### Specifications

**Camera:** 3x 2MP FHD Video Camera with 270° FOV

**Range:** 9 metres with AI powered motion detection and night vision

**Charging:** Solar Powered with battery backup

**Storage:** Images and video saved to onboard memory or Cloud drive options

**Connectivity:** 4G (no WiFi or wires needed)  
IPC360 Home App for alerts and media

### Key Features

- ✓ Camera is fit with lights for use at night-time/dark conditions
- ✓ Automatic alerting system that sends a notification when unusual activity occurs
- ✓ Flexible viewing options with 3 cameras generating a 270-degree view
- ✓ Tamper resistant design remains secure even when mounted on exposed fencing
- ✓ Weather resistance housing defends against outdoor conditions

### Budget Options

Perhaps you don't have the budget to purchase outright, we always have a variety of solutions for you.

- **Hire for short or long term**
- **Used/second hand**
- **Buyback**
- **Lease or Finance**

### Top Tip

Mount the camera in a position of direct sunlight, maximising solar exposure that drastically improves the battery performance.

### Construction Sites

### Civil Engineering /Infrastructure

### Festivals and Outdoor Events

### Sports Grounds or Renovation

#### How are they connected?

Simply use the dedicated clamps which attach to the bottom of the camera, wrap them around the temporary fencing, scaffolding, or palisade fences and tighten the bolts with a screwdriver.

#### Installation timings

1 person

Single camera in 30 seconds

Multiple in less than 5 mins

Cover a site in a few hours (depending site layout)

#### Solar Powered Battery

The reusable solar powered battery reduces waste and dependence on mains electricity.
